

Study in Taiwan with the College of Semiconductor Research, National Tsing Hua University

About College of Semiconductor Research

CoSR was founded in August 2021, located in National Tsing Hua University with the strong support of Ministry of Education and well-known international semiconductor companies such as TSMC, PSMC, TEL, GlobalWafers, Micron Technology, Unimicron, UMC, VIS, Novatek, Nanya Technology, MediaTek and FocalTech.

Why College of Semiconductor Research?

We offer an exclusive opportunity for future leaders of semiconductor industry and academia from all over the world to:

- ★ possess deep domain knowledge in various semiconductor fields (device, design, materials, and process), interdisciplinary collaboration skills, and innovation capability;
- ★ network extensively in semiconductor fields;
- ★ experience Taiwanese culture.

Scholarships Information for International Students

2024 Spring Scholarship and grants | Amount: NTD 8,000 – NTD 20,000 (or above) per month

Per month Students	Scholarships and Grants from CoSR
Master Degree	NTD 8,000 (excluding funding from advisor)
Ph.D. Degree	NTD 20,000 (excluding funding from advisor)
